SUBJECT: Monthly Activity Report - April 1963

c. Stock Funds

A total of 1,651 requisitions with a value of [REDACTED] was processed for the period 26 March through 25 April. This additional program, designed to exercise tight control over the limited stock funds available, continues to require about 10 man-hours per day and continues to hamper progress in other programs.

d. Disposal Actions

Twenty-six Reports of Inventory Adjustment containing 264 line items and representing an inventory value of \$189,829.14 were initiated during the period. These actions were the result of a concentrated effort to purge nonstandard items from the inventory when such items could be identified by the use of temporary or interim stock numbers.
